

JUNIOR TEAM TENNIS

Get playing on a team with friends!

Spring 2016 Junior Team Tennis is fast Approaching

Junior Team Tennis is a fun, team based environment for tennis players 18 and under to play against other teams. Divisions are broken down into skill category (beginner, intermediate and advanced) as well as age category (18u, 14u, 12u, 10u and 8u). Younger teams also use modified courts and equipment to better accommodate their smaller size.

If you have a player that you think may be interested in playing in our Junior Team Tennis league, please visit our website www.youthtennisfortworth.com or call one of the coordinators listed below.
